RE: Records Request

Dear Sovereign Bodies Institute:

The South Dakota Department of Public Safety has received your request for documents and records pursuant to SDCL 1-27 et. seq.

Your request is dated April 26, 2019. I, as the open records officer for the department, received your request on the same day. In your request you stated that this was a follow up to a previous request dated April 13, 2019. I did not receive a request dated April 13, 2019. You are requesting data on all cases within the state that involve missing American Indian/Alaska Native persons.

We do not have records that match your request. The South Dakota Highway Patrol does not investigate these types of incidents.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Arin Diedrich  
Management Analyst  
South Dakota Department of Public Safety
